MEMORANDUM FOR: [REDACTED]

SUBJECT : Transmittal of Certain Clothing

25X1A2g 1. There is being handcarried to you a large container whose contents are six complete sets of special clothing for incorporation in the E&E equipment of the six [REDACTED] now with [REDACTED] 25X1A2g

2. This clothing is individually sized to each person and the backrest cushions, within which the clothing is contained, are numbered consecutively on through six. The code for this clothing is as follows:

25X1A9a (1) [REDACTED]
(2)
(3)
(4)
(5)
(6)

25X1A2g 3. Similar kits containing equipment suitable for winter missions or those over areas where cold climate is to be encountered will be forwarded via [REDACTED] shipment as soon as they are available, which we expect will be within a matter of 7 to 10 days.

25X1A2g 4. As additional [REDACTED] personnel join [REDACTED] hereafter a summer and winter kit of special clothing will be shipped so as to arrive overseas with the [REDACTED] for whom the equipment is purchased. 25X1A2g

25X1A2g 5. Any comments which you wish to offer regarding either the contents of these special back cushions or the configuration of the cushion itself will be appreciated.
